Dear Students,

We would like to inform you that the following manuscripts has been accepted for publication in

The International Journal Of Analytical And Experimental Model Analysis(ISSN NO: 0886-9367)

Manuscript Titles are

S.NO	P.BATCH NO	NAME OF THE TITLE
1	A6	Drug Recommendation System Using Machine Learning Based on TF-IDF Feature Extraction Process
2	A8	NETWORK INTRUSION DETECTION SYSTEM BASED ON UNSW-NB15 DATASET
3	A10	Skin Cancer Classification Using CNN
4	A15	Detecting Attacks in the Smart Grid Using Different Algorithms for Machine Learning
5	B3	Speech based Emotion Recognition using Machine Learning
6	B10	Health Predictor Using Cloud Storage And Machine Learning Techniques
7	C5	Face Mask Detection And Fine Imposing On Students Not Wearing Mask Using Deep Learning
8	C7	Brain Tumour Image Segmentation Using Cnn
9	C8	Cnn-Based Crop Pest Classification Model
10	C10	Precise User Classification Schema Based On Telecom Big Data
11	D10	Semi Supervised Machine Learning Approach for DDOS Detection
